ARCHDIOCESE OF BALTIMORE

ACTS Core Team

The ACTS Core is a commission of 12 voting members, and several non-voting members including an appointed Pastor's Liaison and retreat leadership teams who are registered adult parishioners elected to serve their Parish community as the stewards of ACTS: Adoration, Community, Theology and Service® (ACTS).

The two main functions of the ACTS Core are:

1. To facilitate ACTS Retreats as an evangelization tool for the benefit of the Parish as prescribed by ACTSM. These retreats promote intentional discipleship and build parish community through a personal encounter with Jesus Christ.
2. To invite ACTS Retreat attendees to go forth beyond the ACTS Retreat experience by continuing their journey with and to Jesus Christ through active participation in spiritual development, service orientation, and ongoing Parish community building.
