

ADORATION IN THE CHAPEL AT CHURCH OF THE RESURRECTION

Thank you for considering being an adorer at our chapel at Church of the Resurrection!

1. Please know that you can sign up with friends to take an hour with a group.
2. And that if you want you can sign up once or twice a month at a specific hour if you aren't sure you can do every week.
3. Or you can just sign up as a substitute.
4. We will let as many people as would like sign up for a specific hour, it is not the private hour of anyone. One beauty in using our large chapel is that it will not be crowded if a few people are in there.
5. In terms of the building off-hours, we are installing good lighting and cameras at the entrance to the Pastoral Center facing the larger parking lot for security. And, off-hours, because of our rules, adorants can be secure in knowing that only other adorers who have registered, who have given us their valid email and personal information, will be able to come into the building.
6. Adorants will also not need to worry if they are at Adoration and no one comes in to follow you: We have made a cabinet (picture below) which can be opened and closed when the monstrance is or is not being used for Adoration. This is exactly the set-up at the Basilica 24/7 Adoration chapel and was approved by the Archbishop. All a person needs to do is to close the cabinet when they leave or to open it up when arriving.
7. And if people sign up to be an adorer on our website, this information is not public and their name will not be listed on our website. The information is kept internally, but publicly the website will only share that they are an "adorer."
8. Those who sign up using ADORATION PRO will be given a key code to get into the chapel lobby. At night there will be access to the chapel and rest rooms. The rest of the office building will be closed.
9. We will be emphasizing that off-hours people are NOT to let others into the chapel for any reason. And also for them NOT to give out the key code for any reason.

OUR TEAM

1. Right now we have an OVERALL COORDINATOR – Deacon Skip Comegna --- Whose job will be to call annual meetings of all the adorants and to occasionally be in-touch with the day captains.
2. We also have parishioners helping with our on-line sign-ups for adorers: Tom Huppman and Heather Huppman are going to help us with putting a sign-up for Adoration on the Resurrection website.
3. We also have three of our seven "DAY CAPTAINS" who will have the job of just double-checking now and then with the people signed up for your day and then putting blurbs in the bulletin now and then – if needed – with regard to open hours on their day.
4. If you want information on Adoration please email the group at: Resadoration@gmail.com

Overall Coordinator Dn Skip Comegna at comegnajmj@verizon.net
