Here is a testimonial from one of our parishioners:

"I started my subscription to the MAGNIFICAT last year through the parish and have found it to be worth much more than the dollars I paid for it. I am thrilled to receive my copy every month. This little book, is only ¼ inch thick, but contains over 400 pages ... Each month, the cover is a beautiful piece of artwork that has its own story. It's small enough to fit into a pocket or purse for those few free moments you might have during the day and want to spend with the Lord. It's my companion for weekday and weekend Mass. Maybe you will try it out. I don't think you will be disappointed."
